

Family and Diversity – Inspiration or Impediment for a Scientific Career?

Successful Women in Metabolism and Diabetes Research Striving Towards Equal Advancement!

12 September 2019, Heidelberg

Tentative Program

- 08:30 - 08:35 **Opening Remarks**
Prof. Peter Nawroth, Dr. Bilgen Ekim-Üstünel and Dr. Johanna Zemva
- Session I Women in Basic Research**
- 08:35 - 09:15 **Translational research on genetic and epigenetic alterations contributing to type 2 diabetes**
Prof. Annette Schürmann (introduced by young scientist, N.N.)
German Institute of Human Nutrition Potsdam - Rehbrücke
- 09:15 - 09:55 **Transcriptional networks regulating adipocyte differentiation and function**
Prof. Susanne Mandrup (introduced by young scientist, N.N.)
University of Southern Denmark, Odense
- 09:55 - 10:25 **Hepatic Rab24 controls blood glucose homeostasis via improving mitochondrial plasticity**
Dr. Anja Zeigerer (introduced by young scientist, N.N.)
Institute for Diabetes and Cancer, Helmholtz Center Munich
- 10:25 - 10:45 Coffee Break**
- 10:45 - 11:25 **Keynote Lecture: How goats and guts can make you global**
Prof. Alessia Fornoni (introduced by young scientist, N.N.)
University of Miami, USA
- Session II Women In and Out of Academia**
- 11:25 - 11:55 **From academia to drug development - an alternative career path for physicians**
PD Dr. Susanna Bianzano (introduced by young scientist, N.N.)
Boehringer Ingelheim, Ingelheim
- 11:55 - 12:25 **Assembling tissues cell by cell using light: How far do principles of cell-assembly apply to multicellular structures?**
Dr. Seraphine Wegner (introduced by young scientist, N.N.)
Max Planck Institute for Polymer Research, Mainz
- 12:25 - 12:55 **Being a scientific editor at EMBO Molecular Medicine**
Dr. Lise Roth (introduced by young scientist, N.N.)
EMBO Molecular Medicine, Heidelberg
- 12:55-14:00 Lunch Break**

|--------------------|--|
| Session III | Chances for Young Scientists |
| 14:00 - 14:20 | Gender Equality Office (TBA) University of Heidelberg |
| 14:20 - 14:35 | Short Talk (TBA) |
| 14:35 - 14:50 | Short Talk (TBA) |
| 14:50 - 15:05 | Short Talk (TBA) |
| 15:05 - 16:00 | Poster Session with Coffee and Cake |
| 16:00 - 18:00 | Workshop: How to foster family and diversity in academia? |
| 18:00 - 18:05 | Closing remarks |
